Career Prospects

Graduates of the BBA program in Professional Accountancy have a wide range of career opportunities. They can work in accounting firms, government agencies, non-profit organizations, and international organizations. Graduates can also pursue further studies in accounting, finance, and management.

BBA in Professional Accountancy
CURRICULUM

The PACC Programme aims to provide postgraduate offering a choice for students to gain either an Accounting qualification or a Business Management qualification. The curriculum is divided into two main streams: Global Accounting (GA) and Global Tax and Governance (GTG). Each stream consists of a series of modules that cover the core concepts and skills required for a successful career in accounting.

Global Accounting (GA) Stream
- Focuses on the business environment, bringing together high-level accounting and business skills, the global accounting and finance frameworks, and the global financial markets. Students will develop a strong understanding of the principles of accounting, financial reporting, and the role of accountants in the global economy.

Global Tax and Governance (GTG) Stream
- Aims to equip students with the knowledge and skills necessary for successful career in the global tax and governance field. Students will gain an understanding of the tax systems and governance practices in different countries and how they impact businesses and society.

YOUR DEVELOPMENT

Upon successful completion of the PACC Programme, students will emerge as well-rounded professionals with a deep understanding of the global business environment. The Programme provides a comprehensive learning experience that equips students with the skills and knowledge necessary to excel in their chosen field.

GROWTH OPPORTUNITIES

Internships
- Opportunities for students to gain practical experience in real-world settings, enhancing their employability and professional skills.

Enrichment Activities
- A variety of enriching activities are organized to broaden students’ horizons and develop their soft skills, such as workshops, seminars, and social events.

Connect with the World
- International Exposure
- Study Trips
- Networking Opportunities
