<sup>2</sup> University Core builds **MULTI-DISCIPLINARY** knowledge and enhances **SKILLS** in numeracy and critical thinking via language, **GENERAL EDUCATION**, Physical Education and Information Technology courses.

CUHK students are given much flexibility in choosing their area of interest of studies. On top of my business major, I have decided to pursue a double degree by completing Journalism and Communication courses. This option enables me to map my future career in the communication field with a solid foundation in business.
