Course Description

POR 1110

Portuguese Language: Beginners I

3 U; 3 Lect.

This course introduces students to the basics of the Portuguese language. Essential features of phonetics and intonation will be explained and demonstrated. Class- and home-work will focus on basic speaking, listening, reading and writing skills. Audio-visual aids will be used to enhance the learning process. No prior knowledge of Portuguese is required.

POR 1120

Portuguese Language: Beginners II

3 U; 3 Lect.

This course is a continuation of POR 1110, with special emphasis on morphology. Prerequisite: POR 1110 or equivalent competence.

POR 1210

Introduction to Portuguese Culture I

3 U; 3 Lect.

This course will focus on topics which represent Portuguese particularities. Through topics on cuisine, wine, economy and society, the image of Portugal in the minds of foreigners will be explored. Films, videos, novels and newspapers will be used in class.

POR 1220

Introduction to Portuguese Culture II

3 U; 3 Lect.

This course is a continuation of POR 1210. Prerequisite: POR 1210 or equivalent competence.
