

The Chinese University of Hong Kong Department of Chemistry

Research Seminar Series

- **Speaker:** Prof. Doo Sung Lee Department of Polymer Science and Engineering Sungkyunkwan University Korea
- **Title:** Injectable Block Copolymer Hydrogels

- **Date:** February 17, 2014 (Monday)
- **Time:** 10:30 a.m.
- Venue: Room 705 Mong Man Wai Building

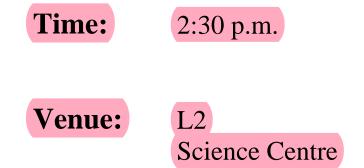

ALL ARE WELCOME

Contact Person: Prof. Chi Wu 

- **Speaker:** Prof. Alan Goldman Department of Chemistry & Chemical Biology Rutgers, The State University of New Jersey U.S.A.
- **Title:**Catalytic Alkane Conversion with Pincer-
Iridium Complexes. A Mechanistic approach

Date: February 24, 2014 (Monday)

ALL ARE WELCOME

Contact Person: Prof. K.S. Chan

The Chinese University of Hong Kong Department of Chemistry

Research Seminar Series

- **Speaker:** Prof. Alan Goldman Department of Chemistry & Chemical Biology Rutgers, The State University of New Jersey U.S.A.
- Title:Breaking and Making C-O and C-H bondswith Pincer-Iridium Complexes

Date: February 25, 2014 (Tuesday)

Time: 2:30 p.m.

Venue: LT5 Lady Shaw Building

ALL ARE WELCOME

Contact Person: Prof. K.S. Chan
