9. The PowerPoint presentations operate smoothly are of good quality.	★★★★ ¹ / ₄
10. The content is well organized and all information can be easily located.	★★★★
Average Rating for The Quality of Content*	★★★★

11. Comments about the Quality of the Content (Optional):
 Reviewer 1: The quality of animation is high.
 Reviewer 2: The Powerpoints are VERY long, with many of over 100 slides. There is a lot of information but it projects an impression of lack of focus. In general, only a few core messages should and can be conveyed across a presentation. A more structured way of presentation should be adopted, say by inserting a "content" slide at the beginning.
 Reviewer 3:good
