Conceptual Plan for ‘Enhancement of College Life’				
1	How important is it for the following ideas presented in the Conceptual Plan be further developed in the Stage 3 Specific Plan?			
	(a) To enhance linkage within college and among colleges	Very Important	46.7%	
		Important	43.3%	
		Less Important	10.0%	
	(b) To create an anchor point for student’s gathering and interaction.	Very Important	57.9%	
		Important	40.4%	
		Less Important	1.8%	
	(c) To form a neighborhood setting for the new and existing colleges.	Very Important	18.3%	
		Important	45.0%	
		Less Important	36.7%	
	2	The Conceptual Plan has proposed ideas to further enhance the existing setting of the Colleges. What are your views on the following?		
		(a)(i) Chung Chi College: Enhance the central focus of the College, e.g. maintain and enhance Weiyuan Lake, Lingnan Stadium and Athletic Field as major open space for the College.	Very Important	34.4%
Important			45.9%	
Less Important			19.7%	
(a)(ii) Chung Chi College: Enhance vertical connection between hostels and central focus, e.g. introduce cascading landscape to connect the hostels and Weiyuan Lake.		Very Important	28.3%	
		Important	38.3%	
		Less Important	33.3%	
(b)(i) New Asia College: Maintain and enhance the monastic quality of the College. e.g. introduce a new central courtyard in front of the Statue of Confucius to create a new focus of the College.		Very Important	19.0%	
		Important	55.2%	
		Less Important	25.9%	
(b)(ii) New Asia College: Harmonize new development with the existing college setting, e.g. future developments, if required, may be located along New Asia Circle, between Friendship Lodge and Xuesi Hall.		Very Important	29.3%	
		Important	53.4%	
		Less Important	17.2%	
(c)(i) United College: Maintain and enhance the monastic quality of the College, e.g. improve and preserve the lawn and courtyard setting.		Very Important	17.2%	
		Important	41.4%	
		Less Important	41.4%	
(c)(ii) United College: Harmonize new development with the existing college setting, e.g. future developments, if required, may be located at the slope at west of Chan Chin Ha Hostel		Very Important	21.4%	
		Important	55.4%	
	Less Important	23.2%		
(d)(i) Shaw College: Enhance the college focus, e.g. improve	Very Important	32.8%		

			Percentage
	the Shaw Terrace setting by transforming the roundabout and parking bays into a pedestrian zone to form an open plaza.	Important	53.4%
		Less Important	13.8%
	(d)(ii)Shaw College : Facilitate the proposed enhancement of college focus, e.g. by transforming Ya Qun Lodge into an amenity building; with another new development for re-provision of parking and for staffs & scholar's use.	Very Important	14.0%
		Important	57.9%
		Less Important	28.1%
	(e)(i) New Colleges : Enhance the pedestrian connection to the Central Campus and to existing colleges.	Very Important	62.1%
		Important	31.0%
		Less Important	6.9%
	(e)(ii)New Colleges : Harmonize the new colleges with the surrounding landscape and built environment.	Very Important	53.4%
		Important	39.7%
		Less Important	6.9%
	Conceptual Plan for 'Venues for Academic & Recreational Activities'		
3	(a)Central Campus to be remained as the major teaching and administration centre.	Very Important	62.7%
		Important	28.8%
		Less Important	8.5%
	(b)Research facilities can be located relatively further away from the Central Campus	Very Important	57.9%
		Important	40.4%
		Less Important	1.8%
	(c)Formation of communities of academic disciplines to achieve physical proximity and obtain the benefits of interdisciplinary collaboration.	Very Important	24.1%
		Important	56.9%
		Less Important	18.3%
4	From the Stage 1 Stakeholder Engagement Activities and the in-depth studies conducted by the Consultant, 6 sites (A-F) were identified for potential development. How important is it for these proposals be further developed in the Stage 3 Specific Plan?		
	(a) (Site A) Area 39 – as a research hub	Very Important	20.7%
		Important	63.8%
		Less Important	15.5%
	(b) (Site B) Vacant Site next to University Station – for academic, continuing education and community facilities development	Very Important	37.9%
		Important	50.0%
		Less Important	12.1%
	(c) (Site C) Open car park outside John Fulton Centre – for administrative and amenity facilities development	Very Important	14.0%
		Important	56.1%
		Less Important	29.8%
	(d) (Site D) Academic Building 1 – for academic facilities development	Very Important	22.8%
		Important	54.4%
		Less Important	22.8%
	(e) (Site E) Village Path – for academic facilities development	Very Important	21.4%
		Important	41.1%

			Percentage
		Less Important	37.5%
	(f) (Site F) Romney Stores (Nissan Huts) – for indoor sports facilities development	Very Important	41.1%
		Important	35.7%
		Less Important	23.2%
Conceptual Plan for ‘Pedestrian-Friendly Campus’			
	5. The Conceptual Plan suggests creating a pedestrian-friendly campus. What are your views on the importance of the following suggestions be further developed in the Stage 3 Specific Plan?		
5	(a) Provide additional vertical links in the campus e.g. Provide a new pedestrian link at campus east, from Pond Crescent through the new Two Integrated Teaching Buildings or the new Student Amenity Centre connected up to the Mall. e.g. Connect Shaw College and the new colleges to the Central Campus through a series of vertical linkages.	Very Important	58.5%
		Important	24.5%
		Less Important	17.0%
	(b) Provide new exit at northern edge of platform of University Station (subject to discussion with MTRC).	Very Important	46.6%
		Important	34.5%
		Less Important	19.0%
	(c) Encourage cycling at low level precinct from University Station to the Eastern Campus and Area 39.	Very Important	24.1%
		Important	39.7%
		Less Important	36.2%
	(d) Centralize car parking areas on the fringe of the campus to reduce vehicular movement within campus.	Very Important	25.9%
		Important	32.8%
		Less Important	41.4%
	(e) Improve the shuttle bus services by reconfiguring the bus route & schedule; and introducing environmentally friendly buses.	Very Important	72.9%
		Important	20.3%
		Less Important	6.8%
Conceptual Plan for ‘Campus Landscape’			
6	How important is it for following ideas in the Conceptual Plan be further developed in the Stage 3 Specific Plan?		
	(a) To achieve a network of landscaped open areas linking with major pedestrian routes.	Very Important	44.3%
		Important	44.3%
		Less Important	11.5%
	(b) To promote natural trails for enjoyment of campus scenery.	Very Important	49.2%
		Important	35.6%
		Less Important	15.3%
	(c)(i) To enhance the mall as an attractive gathering place.	Very Important	39.0%
		Important	37.3%
		Less Important	23.7%
	(c)(ii) To enhance existing courtyard at Lady Shaw Building as an attractive gathering place.	Very Important	22.4%
		Important	36.2%

			Percentage
		Less Important	41.4%
	(c) (iii) To enhance University entrance at MTR Station as an attractive gathering place.	Very Important	32.8%
		Important	24.1%
		Less Important	43.1%
	(d) To introduce thematic planting on campus.	Very Important	35.6%
		Important	33.9%
		Less Important	30.5%
Conceptual Plan for 'Sustainable Campus'			
7	How important is it for the following ideas to be further developed in the Stage 3 Specific Plan?		
	(a) To establish guidelines to reduce the environmental impact of any new structures to the existing campus.	Very Important	74.6%
		Important	23.7%
		Less Important	1.7%
	(b) To promote greening and environmentally friendly building design.	Very Important	71.2%
		Important	27.1%
		Less Important	1.7%
	(c) To establish additional policy(ies) on the reduction of greenhouse gas emissions and energy consumption.	Very Important	61.0%
		Important	27.1%
		Less Important	11.9%
Conceptual Plan for 'Conservation of Places with Cultural Significance'			
8	Would you agree that the proposed assessment procedure for the interventions to all existing places with cultural significance be further elaborated in the Specific Plan?	Yes	77.8%
		No	22.2%
Personal Profile			
	Your role:	Student	44.3%
		Teaching Staff	16.4%
		Non-teaching Staff	13.1%
		Alumni	26.2%
		Others	0.0%
	Have you attended the Stage 1 Stakeholder Engagement Activity?	Yes	25.0%
		No	75.0%
	Have you attended the Stage 2 Stakeholder Engagement Activity?	Yes	35.2%
		No	64.8%
	I have attended:	Engagement Meeting on 2 October 2008 (2:30 - 4:00 pm)	4.9%
		Engagement Meeting on 2 October 2008 (7:00 - 8:30 pm)	13.1%
		Engagement Meeting on 3 October 2008 (10:00 - 11:30 am)	6.6%

		Percentage
	Engagement Meeting on 3 October 2008 (7:00 - 8:30 pm)	4.9%
	Engagement Workshop on 6 October 2008	8.2%
	Engagement Workshop on 8 October 2008	4.9%
	Engagement Workshop on 9 October 2008	1.6%
	Engagement Forum on 11 October 2008	1.6%
