CMP Newsletter - Issue 12

12 February 2009

Dear Colleagues, Students and Alumni,

Campus Master Planning (CMP): Stage 3 – Engagement activities in February and March

Thanks to much interest and support from all stakeholders, we have now completed a successful round of CMP seminars, at which participants showed their interest, awareness and shared priorities about the strategic aspects of the plan. The views and suggestions in these meetings made an important contribution to the development of the Campus Master Plan. The proceedings, and all the PowerPoint presentations, are now uploaded on the CMP website for your reference.

We would like to urge you to take an increasing interest and role in the future developments of the Campus Master Plan and invite you to take part in the following:

1	On line View Collection Exercise (February)	Based on their presentations on the planning vision and 6 planning precepts, the Consultants have designed a questionnaire to collect your view: www.cuhk.edu.hk/cmp/en/stage3_viewcollection.htm All inputs will be considered by the Consultant Team and, if appropriate, duly reflected in their final submission.
2	CU Cultural Trail/ “A Pedestrian-Friendly Campus” Guided Tour (14 March - Saturday)	A coach + walking tour guided by the Consultants. Details: www.cuhk.edu.hk/cmp/en/stage3_guided_tour.htm

The Consulting Team aspires to formulating a planning and design framework in line with the vision and mission of the University which will serve as a guiding platform for the University’s sustainable development. With your active partaking, we are confident that together we will achieve a Campus Master Plan worthy of the University and true to the aspirations of its members.

Yours faithfully,
