CMP Newsletter - Issue 8

23 September 2008

Dear Colleagues, Students and Alumni,

### **Campus Master Planning - Consultant's Conceptual Plan**

The Steering Committee on Campus Master Planning (CMP) is pleased to present the text version of CMP Consultant's Conceptual Plan (<http://www.cuhk.edu.hk/cmp/en/>) for your views and comments. You will note that the Consultant, after taking into account views and concerns collected at the Stage 1 Stakeholder Engagement activities, and findings of the team's in-depth studies of the CUHK campus, has come up with recommendations and proposals on 6 Key Planning Issues. This is why your participation is very important as the project progresses. We have already announced the details of the October Stage 2 Stakeholder Engagement events. Your participation in these events will enable you to

- Discuss with the Consultant on the recommendations and proposals raised in the Conceptual Plan (Engagement Meetings);
- Interact with the Consultant and other participants and give your views on the Conceptual Plan in depth (Workshops); and
- Hear a summary report from the Consultant on views collected from the Engagement Meetings and Workshops, and express your views (Forum).

We sincerely invite your participation in the Stage 2 Stakeholder Engagement events and look forward to hearing your valuable views, which are essential to the development of the specific and final proposals in Stage 3 and Stage 4 of the CMP process, respectively.

Please register your participation via [www.cuhk.edu.hk/cmp](http://www.cuhk.edu.hk/cmp). We look forward to seeing you at the events.
