

Educational Technology and Related Educational Conferences for November 2007 – June 2008

Prepared by Clayton R. Wright, crwr77@gmail.com, November 2007

This listing is published in a Word format to enable people with limited Internet access to find a conference that may suit their interests or obtain conference proceedings. Consider using the "Find" tool under *Word's* "Edit" tab or similar tab in OpenOffice to locate the name of a particular conference, association, city, or country. Then, "cut and paste" a list of suitable events for yourself and your colleagues.

Please note that **events, dates, titles, and locations may change; thus, please check the specific conference website**. Note also that some events will be cancelled at a later date. All the information below was obtained from Internet sources and announcements in educational journals. All Internet addresses were verified at the time of publication. On **November 2, 2007**, specific dates and/or locations were not available for a few of the listed conferences. No liability is assumed for any errors that may have been introduced inadvertently during the assembly of this **selected** conference list. If possible, **please do not remove the contact information** when you re-distribute the list as that is how I receive updates and corrections. Thanks for your cooperation.
