WORK EXPERIENCE

Zurich Insurance <i>Student Consultant</i>		February-May 2019 Copenhagen, Zürich
- Worked for Zurich Insurance with a group of international CEMS students, where we developed a strategy for the introduction and integration of new services and came with additional suggestions on how to effectively communicate the organizational changes internally and externally as well as how to manage the required change in corporate culture. We presented our research in Zurich's headquarters for senior management successfully.		
Shanghai nHack Corporate Management Consultancy Co., Ltd <i>Venture Capital Intern</i>		June-September 2018 Shanghai
- nHack is a VC fund helping companies from Northern Europe succeed in China. I assisted the CFO writing the annual report, conducted market research for portfolio companies held by nHack and gained insights into analyzing VC investments.		
Albatros Expeditions 2016-2019		
<i>Antarctica, Svalbard and Greenland Cruise Guide for Chinese Tourists</i>		
- The job involved being part of a professional expedition team at cruise ships during my summer and winter breaks. I had versatile roles including translation to and from Mandarin, zodiac driving, polar bear safety, wildlife scouting and guiding.		

EXTRACURRICULAR ACTIVITIES

CBS Quants <i>Co-founder and Chairman of the Board</i>		2017-2019
- Through projects at the student society CBS Quants, I have obtained valuable analytical and quantitative skills that allow me to analyze securities and construct sophisticated investment strategies, led several successful fundraising initiatives and held a major quantitative investment case competition.		
Chinese Bridge (汉语桥世界大学生中文比赛) <i>Denmark Representative</i>		September 2011 and July 2016
- I have twice participated in the "Chinese Bridge", a large scale international Chinese Proficiency Competition for foreign high school/college students held in China. I won the preliminary rounds held in Denmark in 2011 and 2016 for both high school and college students respectively.
