The calligraphy of the journal title in Chinese on the cover was written by Zhongwei Shen. The photo image on the back cover shows the building of 2222 Piedmont Ave. at the University of California at Berkeley, USA, where the phonological laboratory office of the Project on Linguistic Analysis (POLA) was relocated to in 1967 from its Ohio State University site (1962–1966). POLA is the publisher of JCLMS and JCL. The JCL publishing office operated in the same location from 1973–2007, relocated to The Chinese University of Hong Kong in 2008, and expanded its presence in China with the opening of a new office in Beijing in 2019.
