Dear Colleagues, Students and Friends,

Invitation to the Nethersole Keynote Seminar

The Nethersole School of Nursing is celebrating its 20th anniversary in 2011! In commemorating this special occasion, we are honored to have invited our three former chairmen/directors of the School, Prof. Kenneth Sellick, Prof. Ann Mackenzie and Prof. David Thompson, to deliver a keynote seminar themed "*Nursing in a Time of Change*". The seminar is one of our key celebratory events in the anniversary year.

Nursing is a highly dynamic profession. Its role has been evolving greatly over the years to cater for the changing healthcare needs of the local and global communities. You are cordially invited to attend this seminar where our speakers will share with us their valuable experiences and insights on such changes and developments of nursing in the time of yesterday, today and tomorrow. Details of the seminar are as follows:
