The Chinese University of Hong Kong

THE CHINESE UNIVERSITY OF HONG KONG

CUHK has always been at the forefront of teaching and research, nurturing the next generation of leaders in all fields. The galaxy of distinguished scholars and researchers at CUHK include a Nobel Laureate, a Fields medallist, a Turing Award winner, and countless academics with national and international recognition.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

CUHK

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK's firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and in the region.

ASIA'S WORLD CITY CITY OF LIFE

Experience life in an international cosmopolitan

About eight percent of Hong Kong's population of 7.41 million are from foreign countries, creating multicultural lifestyles that are unique to the city.¹

Learn about business and trade in the world's freest economy

Hong Kong has exceptional autonomy in trade and business where many multi-national corporations establish Asian headquarters here. Many people come to learn the secrets of Hong Kong's success and to establish networks for their future career.²

Follow traces of Chinese and Western cultures

Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

HONG KONG

Hong Kong is not just an ordinary metropolitan city, it is the hub of Asia; a city that never sleeps with non-stop intensity. It is a perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Explore the outdoors

Escape the bustling city life and enjoy the wide variety of outdoor activities available, just minutes away from the urban centre.

Eat and shop around the clock

Street stalls and shopping malls offer great bargains and operate until late in the evening. Chinese and international cuisines are available and delicious night snacks can be found at 24-hour eateries.

Travel within East Asia in a breeze

Hong Kong is within 5 hours from most major cities in East Asia. With convenient and extensive connections to mainland China and nearby countries, there are many options for a quick study break over the weekends.

CUHK International Summer School

Established in 2004, the CUHK International Summer School (ISS) has been one of the most popular undergraduate summer programmes in the region. Each year, numerous international and local students join the July and August Sessions of the ISS to experience its intensive academic sessions and Chinese culture immersion programmes in a multicultural learning environment.

ACADEMICS
at CUHK

JULY SESSION

25 June – 2 August 2023

In the five-week programme, you can take up to two 3-credit courses, each with 42 contact hours, taught entirely in English. Areas of study include:

- **Environment, Science and Technology**
- **Global Business and Management**
- **Society and Human Interaction**
- **Understanding China**
- **Chinese Language (Putonghua and Cantonese)**

AUGUST SESSION

6 – 26 August 2023

In the three-week programme, you can take two 3-credit courses of intensive Chinese language training in Putonghua at various levels. The programme will provide an opportunity for you to acquire pragmatic competence in the Chinese language through classroom learning and immersion activities.
