### Important Notes

- Note: 1) Information provided in this table is for reference only. Partner universities may change their admission requirements or academic programmes for exchange students from time to time. You are required to go to the official website of the partner universities to look for the most up-to-date information. The decisions on admission and programme/course registration will rest with the partner universities.
- 2) **For those programmes marked with #**, you have to input into your online application form a valid TOEFL score (or IELTS score, if applicable) before **your individual appointment**. Otherwise, you will NOT be considered as an eligible applicant for that particular programme. **You should apply for the TOEFL/IELTS test as soon as possible (when necessary), and remember to input your TOEFL/IELTS test score and upload your score report to your online application form. Please read the sample instruction file at [http://www.oal.cuhk.edu.hk/files/outgoing/app\\_sample.pdf](http://www.oal.cuhk.edu.hk/files/outgoing/app_sample.pdf) carefully.**
- 3) You are advised to approach relevant CUHK academic departments which have full autonomy to determine which courses taken abroad could transfer credits to CUHK before finalizing your choice of programmes.
