Nature’s Classroom
Lee Woo Sing College General Education GEWS2061 (3 credits)

Hands-on approach
Learning by doing
Interacting with experts
Awareness → Action for conservation

From indoor meetings to outdoor field trips
From field trip practice to mindful reflection
From latter externally imposed to internalized discipline
Going out is, after all, going in

Serious fun, knowledge, skills, attitude
and behavioural changes
從觀劇到自滿 EGO → ECO
