Library Orientation for Postgraduate Students
研究生圖書館迎新講座

Ms. Bernice Chan
Postgraduate Liaison Librarian
Learning Services
CUHK Library

8 Aug 2023

Agenda

- Introduction to CUHK Library 中大圖書館簡介

- Library Resources, Services and Facilities for Postgraduate Students 研究生可使用的圖書館資源，服務及設施

- Research Support 研究支援

- Postgraduate Workshop Series 研究生講座與研習班

- Postgraduate Activities 研究生活動

Introduction to CUHK Library 中大圖書館簡介

https://www.youtube.com/watch?v=Ncjwq3dgCbk

CU Link Card, Login ID and Password
# 中大通、 登入ID 及密碼

- **Student CU Link Card = Library Card**
  中大通 (學生證) = 圖書證
  - Access to CUHK libraries 進入圖書館
  - Borrow library materials 借閱

- Login to access Library's e-resources off campus, book room, renew book, and to use library PCs
  登入使用：遙距取用電子資源、預訂研讀室、續借圖書及圖書館的公用電腦

Login 登入: Student_ID@link.cuhk.edu.hk
Password 密碼: OnePass Password
(a single login across CUHK online systems)

Library homepage 圖書館主頁

https://www.lib.cuhk.edu.hk

Opening hours 開放時間

Library Resources 圖書館資源

Library Resources 圖書館資源

- **E-resources 電子資源**
  - 1000+ databases 電子資料庫
  - 160K+ e-journals 電子期刊（種）
  - 5.4M+ e-books 電子書
- **Printed materials 館藏**
  Books, journals, newspapers, etc. 書、期刊、報紙等
  - 2.7M+ print volumes (冊)
- **Others 其他**
  - Audio-visual materials 視聽資料
  - Microfilms, etc. 顯微膠片等

Collections 館藏

LibrarySearch 檢索易

LibrarySearch provides a single access point to find articles, books and other resources, but not all library subscribed e-resources and research databases. If you need more specific information on a particular subject, it is better to use the library databases.

LibrarySearch 提供一個單一點來查找文章、書籍和其他資料，但並非所有圖書館訂閱的電子資源和資料庫都可以在LibrarySearch搜尋得到。如果您需要特定主題的資料，可搜索圖書館資料庫。

Discovering Research Information Skills Online Course
in Improving Postgraduate Learning (IPL) 2023-2024

Designed for

ALL postgraduate students to learn the basic research skills. After completion of this online course, students are Strongly Recommended to enroll in one of the sessions under Discovering Research Information in Your Discipline.
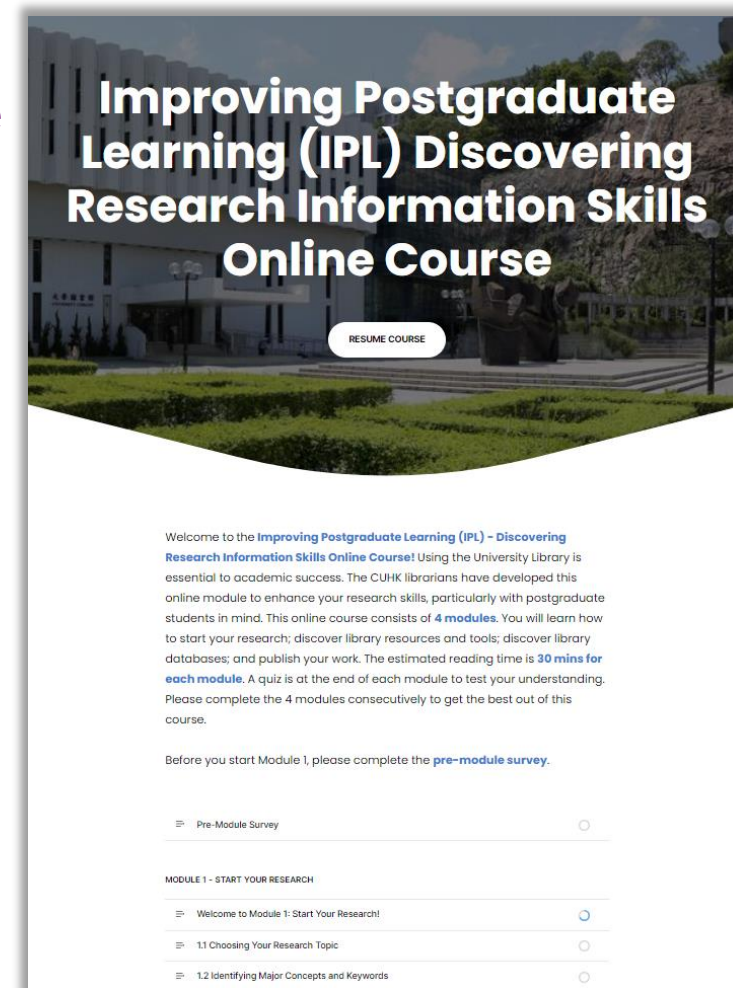

Objective & Brief Description

Using the University Library is essential to academic success. The CUHK librarians have developed this online module to enhance your research skills, particularly with postgraduate students in mind. After completion of this course, you will be able to:

- Identify keywords of your topic and formulate a search statement for searching resources;
- Use LibrarySearch to search for resources, particularly theses;
- Understand different types of library databases, and use Scopus to discover quality research information; and
- Find a journal to publish in and increase the visibility of a published article.

Structure   Self-learning course on Blackboard

Discovering Research Information at Your Discipline (Workshops)
in Improving Postgraduate Learning (IPL) 2023-2024
organised by Graduate School

Designed for

ALL postgraduate students. These are discipline-specific courses focusing on discovering up-to-date scholarly and research information that are not available elsewhere. They are **HIGHLY RECOMMENDED** to enhance your subject research information skills.

Objective

At the end of the course, you will be able to:

- Have an overview of the subject specific key resources provided by the Library and beyond;

- Select resources relevant to your research;

- Conduct effective search of research information in your discipline; and

- Assess the significance of the research information found.

Structure   Online via Zoom conducted by Faculty Liaison Librarian

Discovering Research Information at Your Discipline (Workshops)

Discovering Research Information at	Date & Time	For	Venue
Arts	18 Sep 2023 (Mon) 6:30 p.m. – 9:00 p.m.	ALL postgraduate students in Arts	Online via Zoom
Business Administration	14 Oct 2023 (Sat) 9:30 a.m. – 12:00 noon	ALL postgraduate students in BA	
Education	19 Sep 2023 (Tue) 6:30 p.m. – 9:00 p.m.	ALL postgraduate students in Education	
Engineering	23 Sep 2023 (Sat) 10:30 a.m. – 1:00 p.m.	ALL postgraduate students in Engineering	
Medicine	21 Sep 2023 (Thu) 6:30 p.m. – 9:00 p.m.	ALL postgraduate students in Medicine	
Science	23 Sep 2023 (Sat) 2:00 p.m. – 4:30 p.m.	ALL postgraduate students in Science	
Social Science	20 Sep 2023 (Wed) 6:30 p.m. – 9:00 p.m.	ALL postgraduate students in Social Science	
Law	7 Oct 2023 (Sat) 9:30 a.m. – 12:00 noon	ALL postgraduate students in Law	
Chinese Law	23 Sep 2023 (Sat) 9:30 a.m. – 12:00 noon	ALL postgraduate students in Law	

Discovering Research Information at Your Discipline

Student will receive a **Certificate of Attendance** if he/she:

1. Enrolled in the **Discovering Research Information Skills Online Course** and complete the quiz at the end
   - Answered 12 out of 20 questions correctly with one attempt
2. Enrolled in ONE of the **Discovering Research Information Skills for Your Discipline** workshops
   - Attended via Zoom not less than 1.5 hours of attendance

Managing & Creating Reference Citations with Reference Managing Tools (Workshops)
in IPL 2023-2024 organised by Graduate School

Designed for

ALL postgraduate students of various disciplines. HIGHLY RECOMMENDED.

Objective

At the end of the courses, you will be able to:

- Create and format in-text citations and bibliographies for their papers using the two Reference Management Tools, EndNote and RefWorks;
- Create personal references database by importing references from online databases and other sources; and
- Manage the references in the personal database.

Structure   Online via Zoom conducted by Postgraduate Liaison Librarian

Managing & Creating Reference Citations with Reference Managing Tools (Workshops)
in IPL 2023-2024 organised by Graduate School

Mainly demonstration on:

- Setting up an EndNote/RefWorks account;

- Importing references from online databases;

- Creating groups (EndNote) / folders (RefWorks);

- Creating a bibliography in a variety of formats/styles; and

- Using EndNote/RefWorks with MS Word.

Participant are advised to use a computer during the online course for following the demonstration.

Managing & Creating Reference Citations with	Date & Time	For	Venue
EndNote	25 Sep 2023 (Mon) 6:30 p.m. – 9:00 p.m.	ALL postgraduate students of various disciplines.	Online via Zoom
RefWorks	5 Oct 2023 (Thu) 6:30 p.m. – 9:00 p.m.		

Basics of Research Data Management (Online Module) in IPL 2023-2024 organised by Graduate School

Designed for

ALL research postgraduate and taught doctoral students (admitted in 2022/23 or after). Students are required to complete this online course in their 1st year of studies.

Objective & Brief Description

Research Data Management (RDM) is of growing importance throughout the research life cycle. This self-learning online course covers an overview of RDM, Data Management Plan, data deposit, and data ethics. After completion of this course, students will be able to understand the purpose and principles in research data management.

Structure

Self-learning course and examination on Blackboard.

Completion requirements

To complete this compulsory course, student must:

1) go through ALL the materials online, AND

2) pass the online examination.

Research Data Management for Your Discipline (Workshops) in IPL 2022-2023 organised by Graduate School
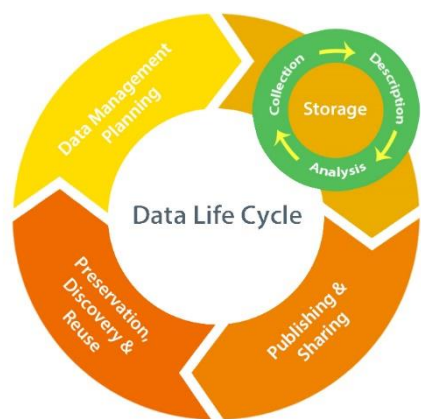

Designed for

ALL postgraduate students who need to manage data for their research. These are discipline-specific courses focusing on research data management. They are optional but HIGHLY RECOMMENDED to enhance your research skills in managing research data.

Objective

At the end of the courses, you will be able to:

- Understand the purpose and principles in research data management;

- Demonstrate the skills in managing research data;

- Create Data Management Plans with DMPTool; and

- Select a data repository for data deposit.

Structure

Online via Zoom conducted by Research Data Librarian

Research Data Management for Your Discipline (Workshops) in IPL 2022-2023 organised by Graduate School

The workshops for different disciplines will cover:

- Key concepts of research data management;
- Features of Data Management Plans (DMPs) and using DMPTool to create DMPs;
- Data repositories and dataset deposit in the CUHK Research Data Repository;
- Data collection and reuse (according to disciplines); and
- Data ethics (according to disciplines).

Research Data Management for	Date & Time	For	Venue
Arts and Education	7 Oct 2023 (Sat) 3:00 p.m. – 5:00 p.m.	All postgraduate students in Arts and Education	Online via Zoom
Engineering	4 Oct 2023 (Wed) 6:00 p.m. – 8:00 p.m.	All postgraduate students in Engineering	
Medicine	10 Oct 2023 (Tue) 6:00 p.m. – 8:00 p.m.	All postgraduate students in Medicine	
Science	12 Oct 2023 (Thu) 6:00 p.m. – 8:00 p.m.	All postgraduate students in Science	
Business, Law, Social Science, and Inter-faculty	16 Oct 2023 (Mon) 6:00 p.m. – 8:00 p.m.	All postgraduate students in Business, Law, Social Science, and Inter-faculty	
Multi-disciplines	18 Jan 2024 (Thu), 6:00 p.m. - 8:00 p.m.	All postgraduate students	

Observing Intellectual Property and Copyright Law during Research (Online Module) in IPL 2022-2023 organised by Graduate School

Designed for

ALL RESEARCH postgraduate students. Students must complete this online course before graduation.

Objective & Brief Description

It is very important for students to know how to avoid infringing the Intellectual Property and Copyright of others. This course will introduce CUHK research students to updated issues in Intellectual Property and Copyright which are applicable in academic circles. To link the issues to global research, the subject of 'Plagiarism' is also included.

Structure

Self-learning course and examination on Blackboard.

Completion requirements

To complete this compulsory course, student must:

1) go through ALL the materials online, AND

2) pass the online examination.

IPL Courses Registration

Registration Period: 14 Aug 2023 – 3 days before course start

First-come-first-served

Registration and details:
http://www.cuhk.edu.hk/clear/prodev/ipl.html#registration

Postgraduate Activities
研究生活動

Research Café 研究茶座

- A series of informal events for postgraduates and researchers across disciplines to get together and for research students to present their research work
一系列輕鬆互動的交流活動，讓研究式課程研究生簡報自己的研究

- Features 活動特色

  - Presentations on a theme from research students in various disciplines
在一個主題上由不同學科的研究生作研究專題簡報

  - Discussion facilitated by a moderator 活動主持人協助交流討論

  - Feedback on presentation skills 簡報技巧的建議

  - Sharing by scholars with expertise on cross-disciplinary research
學者分享跨科研究的經驗和心得

Details: https://www.lib.cuhk.edu.hk/en/research/research-cafe
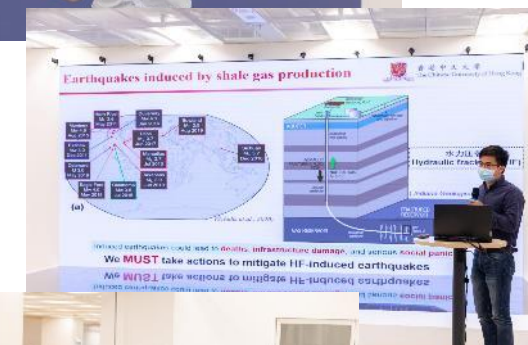

Research Poster Exhibition 研究海報展覽

- For facilitating postgraduates to broaden the reach of their own research to the university community and to enhance poster presentation skills
  旨在促進研究生向大學社羣介紹他們的研究專題，及為參展者提供機會提高海報簡報技巧

- Features 活動特色

  - CUHK postgraduate students from different disciplines are welcome to submit their research poster abstracts 歡迎各科的研究生參展

  - Participants will be invited to present their research content in 3 mins orally to a panel of judges 每位參展者需向評判作3分鐘的口頭簡報其研究內容

  - Prizes will be awarded to the best poster presentations
    最佳海報及簡報的參展者將獲頒獎項

 - Selected research posters are displayed in the University Library
    入選海報將於大學圖書館展出

Details: https:// www.lib.cuhk.edu.hk/en/research/poster-exhibition
