Accommodation Arrangements

Checking-In & Checking-Out

You will be housed in Student Hostel II(High Block) in Shaw College (逸夫書院第二學生宿舍高座) during the programme. All students are expected to stay on the CUHK campus for the entire programme period except the holidays on 25 and 26 July. If you have a valid reason for leaving the campus at any time during this period, your parents/guardians should submit a written leave request to our Office in advance.

On 25 July, you will be released from the CUHK campus to enjoy holidays. You should then return to the CUHK campus in the morning on 27 July (Mon) for classes. If you really need hostel arrangements at the night on 25 and/or 26 July, your parents/guardians should complete and return the attached Application for Extra Hostel Arrangement Form to us.

4. Slippers
5. Warm sweater
6. Raincoat, slicker or umbrella
