

**CUHK Summer Institute 2009**  
**General Arrangements in Case of Typhoons or Rainstorms**  
**(for international students)**

**A) Check-in Day (16 or 17 July 2009)**

If Typhoon Warning Signal No. 8 or above remains hoisted or the Black Rainstorm Warning is still in force at 12:00 noon, then students should not come to CUHK on that day. We will notify students and their emergency contact persons of the new check-in arrangements through SMS and email. These new arrangements can also be found on our website (<http://www.cuhk.edu.hk/osp>).

**B) During the Programme (17 July-1 August 2009)**

Typhoon Warning Signal No. 8 or above

All classes will be suspended, and students should immediately leave the campus and go home. We will also notify students' emergency contact persons through SMS and email of these arrangements, which can also be found on our website (<http://www.cuhk.edu.hk/osp>).

Once the signal or warning has been lowered or cancelled, the programme will continue as usual. Again, we will notify students and their emergency contact persons of the relevant arrangements (e.g., the date and time to return to the CUHK campus) through SMS and email, or they can find them on our website (<http://www.cuhk.edu.hk/osp>).

Black Rainstorm Warning

If the Black Rainstorm Warning is issued during the following time periods, then classes and activities will be suspended, as follows.

Signal issued by	Sessions/periods suspended
7:00 am	Morning classes (10:00 am-12:00 noon)
12:00 noon	Afternoon classes (1:30 pm-4:30 pm)
5:00 pm	Evening and night-time activities

All students should remain in the hostel unless otherwise advised.

*Remarks:*

*Public announcements made by the Education Bureau about the suspension of classes are not applicable to the University.*

Transport Arrangements:

- (i) Normal shuttle bus service between the University MTR Station and New Asia College/Shaw College will be in continuous operation for an hour after the Typhoon Warning Signal No. 8 or above has been hoisted.
- (ii) Normal shuttle bus service will be maintained at all times while the Black Rainstorm Warning is in force, unless the situation does not permit it.
