

*The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series*

Speaker: Prof. Licheng Sun
Department of Chemistry
KTH Royal Institute of Technology
Sweden

Title: Artificial Photosynthesis (Solar Fuels)--From
Molecular Catalysts to Functional Devices

Date: July 16, 2015 (Thursday)

Time: 3:30 p.m.

Venue: L3
Science Centre

The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series

Speaker: Prof. Ken-Tsung Wong
Department of Chemistry
National Taiwan University

Title: Recent Developments of Small Molecule-
based Organic Solar Cells

Date: July 20, 2015 (Monday)

Time: 2:30 p.m.

Venue: L3
Science Centre

The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series

Speaker: Professor Ying Liu
Department of Chemical Engineering
University of Illinois at Chicago

Title: Artificial Dense Granular to Control
Internal Hemorrhage

Date: July 23, 2015 (Thursday)

Time: 10:30 a.m.

Venue: L3
Science Centre
