Terms of Reference

1. To devise and supervise the implementation of strategies that will enable the University to achieve its targets on student exchanges.
2. To advise on institutional policies and practices regarding student exchanges with partner universities. This includes formats for student mobility programmes, efforts to promote student exchanges, academic programming, and registration and course selection arrangements.
3. To advise on matters related to financial aid for students (incoming and outgoing) who participate in student exchange programmes.
4. To receive regular reports and monitor the development of student exchange programmes, including pastoral matters concerning incoming students and the maintenance of communications with CUHK students whilst studying abroad.
5. To receive reports and to advise on the development and running of summer programmes.
