Kadoorie Farm & Botanic Garden Corporation

In Memory of Our Beloved Professor Shiu-Ying Hu

On Behalf of the Kadoorie Farm and Botanic Garden, I wish to express our admiration for the long and fruitful life of Professor Shiu-Ying Hu.

Professor Hu had a wonderful, generous spirit, and was willing to share her specialist knowledge with lay-people, which helped them to become respected experts in their own right, leading to the successful conservation of our natural heritage. We celebrate her life.

Andy Brown

Executive Director, KFBG
