

# Educational Technology and Related Educational Conferences for 2007 - 2008

Prepared by Clayton R. Wright, [crwr77@gmail.com](mailto:crwr77@gmail.com), June 2007

This listing is published in a Word format to enable people with limited Internet access to find a conference that may suit their interests. Consider using the "Find" tool under Word's "Edit" tab or similar tab in OpenOffice to find the name of a particular conference, association, city, or country. Then, "cut and paste" a list of suitable events for your colleagues.

Please note that **events, dates, titles, and locations may change; thus, please check the specific conference website**. Note also that some events will be cancelled at a later date. All the information below was obtained from Internet sources and announcements in educational journals. All Internet addresses were verified at the time of publication. On **June 16, 2007**, specific dates and/or locations were not available for a few of the listed conferences. No liability is assumed for any errors that may have been introduced inadvertently during the assembly of this selected conference list. If possible, **please do not remove the contact information** when you re-distribute the list as that is how I receive updates and corrections. Thanks for your cooperation.
