2020/21 Term 1 CUSIS Class Sections

The three dimensions of the framework narrow your technology choices by answering three common questions:

- On the X-axis, we answer WHERE are the learners? Physical vs Virtual?
 International Access? China Access?
 SEN*,...?
- On the Y-axis, we answer WHEN are they learning? **Synchronous vs Asynchronous?**
- On the Z-axis, we answer HOW MANY learners are there? Collaborative vs Individual?

Accessibility, Diversity, Equity, and Inclusion (DEI)*
