ABSTRACT (提要).....	350	

“Everything one could want in a first-year textbook.”

—Perry Link, University of California, Riverside

**“The materials are up-to-date,
bold, and lively.”**

—Yin Chong (Zhuang Yan),
Boston University

A companion volume

First Step

Workbook for Modern Chinese

Chih-p'ing Chou, Jing Wang & Jun Lei

328 pages. 129 color illus. 8 1/2 x 11.
Paper \$25.00 978-0-691-15998-0

First Step

An Elementary Reader for
Modern Chinese

*Chih-p'ing Chou, Jing Wang
& Jun Lei*

First Step is an elementary Chinese textbook for students with no previous background in the language. Focusing on the basics of modern Chinese phonetics and grammatical structure, the book uses everyday topics to help students establish a solid foundation in the Chinese language.

- Emphasis is on basic grammar structure and principles
- Textbook features both traditional and simplified characters, pinyin, and English translation
- Perforated workbook (which is sold separately) facilitates easy handling of homework
- Free audio files available online
- Appropriate for college and high school students

*The Princeton Language Program:
Modern Chinese*

368 pages. 40 color illus. 17 tables. 8 1/2 x 11.
Paper \$49.50 978-0-691-15420-6
