The Bachelor of Nursing is a four-year full-time credit-based programme designed to prepare students for a career in nursing. Successful completion of the programme will enable the graduate to become a registered nurse in Hong Kong.

There are 35 courses throughout the four-year study, altogether making up a total of 147 credit units to be taken. The programme covers all aspects of nursing, from basic nursing to nursing care for individuals with complex health problems.

• Obtaining an undergraduate qualification in nursing from an internationally renowned university;
• Opportunity to participate in overseas exchange programmes to appreciate different cultures and grow as independent individuals;
• A variety of scholarships and awards are available to provide incentives for excellence; and many more…

Applicants shall be eligible to apply for admission if they:

a) have successfully completed a course of health-related study leading to the qualification of associate degree/ higher diploma, and
b) have attained an acceptable level of proficiency in the English and Chinese language.

12:00 noon on May 16, 2009 at LKC LT1 (Li Koon Chun Hall), 3/F, Sino Building, Chung Chi College, The Chinese University of Hong Kong. All are welcome.
