The Chinese University of Hong Kong

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK’s firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and in the region.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in lush greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

Hong Kong
Asia’s World City, City of Life

Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Experience life in an international cosmopolitan
About 600,000 of Hong Kong’s population of 7.52 million are from foreign countries, creating multicultural lifestyles that are unique to the city.

Explore the outdoors
Escape the bustling city life and enjoy the wide variety of outdoor activities available, just minutes away from the urban centre.

Follow traces of Chinese and Western cultures
Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

Learn about business and trade in the world’s freest economy
Hong Kong has exceptional autonomy in trade and business where many multi-national corporations establish Asian headquarters here. Many people come to learn where the secrets of Hong Kong’s success and to establish networks for their future career.

Since 2004, the CUHK International Summer School (ISS) has been one of the most popular summer programmes in the region. Available in two unique Sessions in July and August every summer, the ISS immerses its participants into a vigorous academic and cultural exchange experience.

26 June to 2 August 2021
In the five-week programme, you can enrol in up to two 3-credit courses, each with 42 contact hours, taught entirely in English*. Areas of study include:
- Business and Finance
- Chinese Language (Putonghua / Mandarin and Cantonese)
- Environment, Science and Technology
- Society and Human Interaction
- Understanding China

* Except Chinese Language courses.

9 - 27 August 2021
The three-week programme offers intensive Chinese language training in Putonghua (Mandarin). You enrol in two 3-credit courses, each with 42 contact hours. The programme will give you an opportunity for you to acquire pragmatic competence in the Chinese language through interactive learning and immersion activities.

The ISS July and August Sessions will be held virtually with online learning and meeting platforms in 2021.
International Learning Environment
Interact with local and international students from around the world through interactive online platforms.

Outstanding Academics
Learn from and engage with leading academics from CUHK and prestigious overseas universities.

Comprehensive Student Support
Get extensive support from a team of advisors for all your application, course, technical, and pastoral care needs.

Cultural & Social Immersion
Experience the local culture, see firsthand the Hong Kong society and learn about the different sectors that make up its vibrant cityscape through virtual activities, excursions and visits.

Tuition

Virtual Summer Undergraduate Research Programme

The Summer Undergraduate Research Programme (SURP) provides an opportunity for undergraduate students from overseas universities to undertake research attachments for eight weeks at CUHK during the summer. Students will conduct research under the supervision of a CUHK faculty member and earn three credits upon successful completion of the programme. Due to travel restrictions brought by the COVID-19 pandemic, SURP will be conducted virtually in the summer of 2021 to allow students to take part in the programme without leaving home.

28 June to 20 August 2021

- Develop research skills and knowledge in a specific area of interest
- Join a world-class research team and work alongside leading experts in the field at home
- Experience postgraduate studies first hand
- Establish professional networks for future career
- Immerse in the local culture through virtual activities and excursions
- Discover new ideas through interaction with other international students
Research Topics

Some 50 research projects across different disciplines are available for SURP participants. For the most updated list of topics available, please visit the programme website.

Faculty of Arts
- Brain & Language
- Infant Speech Perception & Language Development

Faculty of Education
- Robot-based Intervention for Promoting Social & Behavioural Skills in Children with Autism

Faculty of Engineering
- AI-based Multimodal Guidance for Snake Robot in Confined Environments
- Biophysical Phenotyping of Stem Cells
