The Chinese University of Hong Kong

As the second oldest university in Hong Kong, CUHK is a comprehensive research university with a global vision and mission to combine tradition with modernity, and to bring together China and the West. CUHK's firmly rooted Chinese culture, multiculturalism and its unique college system set itself apart from other universities in Hong Kong and in the region.

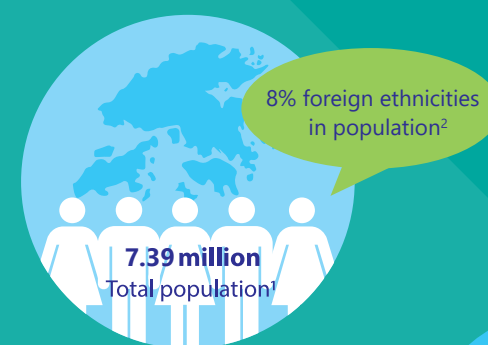

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in lush greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

Hong Kong

Asia's World City, City of Life

Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

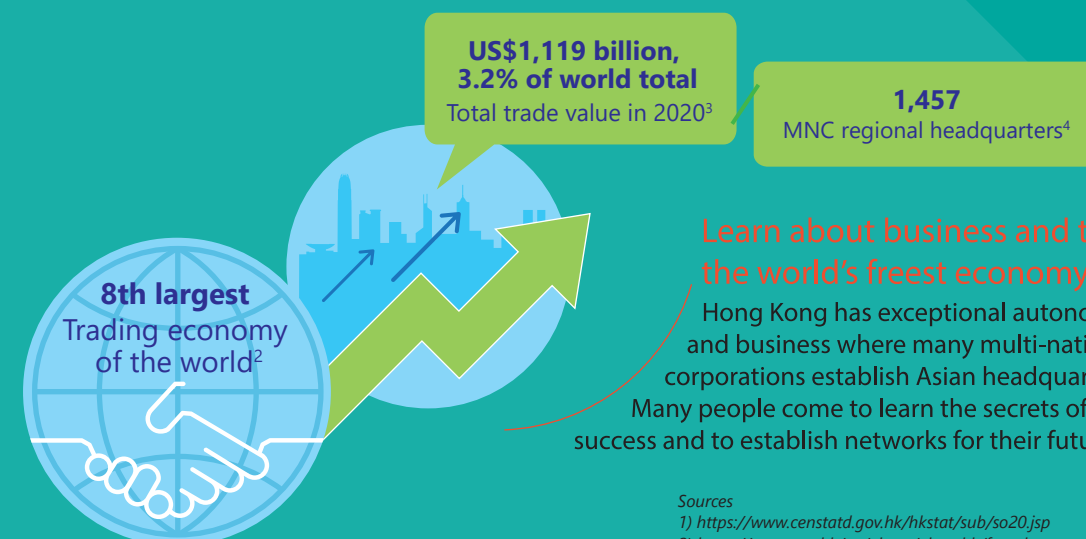

Experience life in an international cosmopolitan

About 8% of Hong Kong's population of 7.39 million are of foreign ethnicities, creating multicultural lifestyles that are unique to the city.

Follow traces of Chinese and Western cultures

Traditional Chinese values such as loyalty to friends and family, and respect for the elderly are well preserved while its history as a former British colony has left a legacy of western ways.

Learn about business and trade in the world's freest economy

Hong Kong has exceptional autonomy in trade and business where many multi-national corporations establish Asian headquarters here. Many people come to learn the secrets of Hong Kong's success and to establish networks for their future career.

CUHK International Summer School

Since 2004, the CUHK International Summer School (ISS) has been one of the most popular summer programmes in the region. Available in two unique Sessions in July and August every summer, the ISS immerses its participants into a vigorous academic and cultural exchange experience.

27 June – 1 August 2022

In the five-week programme, you can enrol in up to two 3-credit courses, each with 42 contact hours, taught entirely in English*. Areas of study include:

- Chinese Language (Putonghua / Mandarin and Cantonese)
- Environment, Science and Technology
- Global Business and Management
- Society and Human Interaction
- Understanding China

* Except Chinese Language courses.

The ISS July Session will be held virtually with online learning and meeting platforms in 2022.

8 – 26 August 2022

The three-week programme offers intensive Chinese language training in Putonghua (Mandarin). You enrol in two 3-credit courses, each with 42 contact hours. The programme will give you an opportunity for you to acquire pragmatic competence in the Chinese language through interactive learning and immersion activities.

The ISS August Session will be held virtually with online learning and meeting platforms in 2022.

Virtual

Summer Undergraduate Research Programme

The Summer Undergraduate Research Programme (SURP) provides an opportunity for undergraduate students from overseas universities to undertake research attachments for eight weeks at CUHK during the summer. Students will conduct research under the supervision of a CUHK faculty member and earn three credits upon successful completion of the programme. Due to travel restrictions brought by the COVID-19 pandemic, SURP will be conducted virtually in the summer of 2022 to allow students to take part in the programme without leaving home.

25 June–20 August 2022

- ◆ Develop research skills and knowledge in a specific area of interest
- ◆ Join a world-class research team and work alongside leading experts in the field at home
