

THE CHANGE OF MODERN SCIENCE TO A NEW RELIGION

to the General Public after the Scientific Revolution

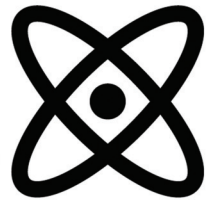

RELIGION

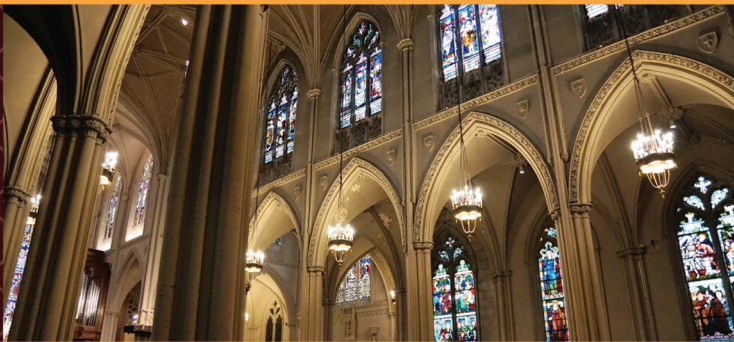

Lightning is
caused by
Thor's hammer

Lightning is
caused by
clouds' discharge

CAN YOU SEE THE GOD(S)?

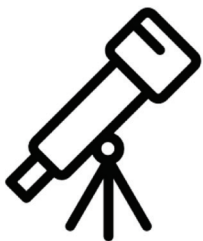

WE TRUST THE CHURCH
AND THE PRIESTS

CAN YOU SEE PARTICLES AND
ELECTRONS?

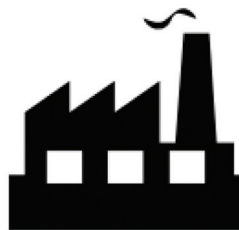

WE TRUST THE ACADEMIA
AND THE SCHOLARS

WHY do we believe in Science, without TESTING?

DIFFICULTY OF
EXPERIMENT

Advanced equipment and
collaboration needed

PRACTICAL
BENEFITS

How inefficient it would be to
check everything by myself!

AMOUNT OF
CONTENT

It takes a lifetime to
specialize in a tiny area!

EDUCATION &
CONVENTION

We need a "correct answer"
and we're used to it
