

International Symposium on “Spirituality, Culture, and Chinese Societies:
Interdisciplinary and Interfaith Dialogues”

Session 3
Spirituality and Holistic Care

Prof. Frances Kam Yuet Wong
Chair Professor of Advanced Nursing Practice &
Associate Dean, Faculty of Health and Social Sciences,
Hong Kong Polytechnic University

"Unravelling the relationship between spirituality and holistic care". The objectives of my talk are as follows:

1. To what extent is spirituality part and parcel of healthcare?
2. What is the relationship of spirituality and holistic care?
3. What is the function of spirituality in holistic care
4. Who is involved in the relationship?
5. When is spirituality needed / emerged in healthcare?
6. Why spiritual care?
7. Why not?
8. Closing the relationship gap
